**PART II  
TEACHING PLAN**

**Introduction**

**ATTENTION:** This period will be used to practice flight and squadron drill. This is the time to correct any area that you have questions about.

**MOTIVATION:** There is nothing as impressive as a unit drilling with precision. This is where you can really "strut your stuff." Let's make sure that we are performing the drill to the best of our abilities.

**OVERVIEW:** We will practice flight and squadron drill for a short period of time.

**TRANSITION: FALL IN!**

**Body**

**MP 1**            The cadets will practice flight drill for about ten minutes and squadron drill for another ten minutes.

**MP 2**            The instructor will observe the performance and evaluate it for correctness of commands and movements. Critique the class in the last five minutes of the period.

**Conclusion**

**SUMMARY:** The cadets practiced flight and squadron drill to reinforce their knowledge of it.

**REMOTIVATION:** None

**CLOSURE: FALL OUT!**
